LSC Technology Initiative Grant (TIG) Pre-Application

Fillable Word Version

This fillable Word version of the TIG Pre-Application allows organizations to complete the narrative section of their proposal outside of LSC’s Grants.gov system before formally submitting their proposal. The 2021 TIG Pre-Application Guide provides more detailed information on the pre-application process, including LSC’s review criteria and instructions for completing the pre-application budget.

All organizations must submit their pre-applications through the Grants.gov system by May 14, 2021, at 11:59 p.m. EDT.

Section 1: Project Description

Question 1: Please provide a description of your proposed project including the specific technologies the project will develop or implement.

The Gettysburg Address

87 years ago

Four score and seven years ago our fathers and mothers brought forth on part of this continent a new nation, imagined in liberty and committed to the proposition that all men and women are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure.

Great Battlefield

We are met on a great battlefield of that war.

Two Spacebar Tips

Stop scrolling through web pages with your mouse. Spacebar moves you down a webpage and Shift+Space takes you back up.

When typing on your smartphone, hit spacebar twice at the end of the sentence. It adds a period and starts a new sentence for you.

Scroll Through States in a Web Form

• Instead of opening the dropdown field and clicking until you find your state, simply type the letter of your state.
• “Oh, but what about Arkansas, Arizona, Connecticut, etc.?”
• Keep typing your letter until you get to the correct state.
